NINETEEN HUNDRED FIFTY-SIX

Annual Publication

MARY POTTER HIGH SCHOOL

Oxford, North Carolina

Foreword

The staff has worked hard and has had great fun preparing the 1956 Ram.

Checking and double checking the spelling of names, drawing layouts, meeting deadlines, typing copies, and proof-reading, took hours of our after school time.

However, planning and editing the 1956 Ram has been one of the happiest experiences of our years in high school. We have worked to make it an accurate record, a treasure chest of memories, and a yearbook that will be a credit to our school.

We Dedicate

"By The Works One Knows The Workman"

To Our Friend And Principal

For his unselfish service to the pupils and teachers of Mary Potter High School, we dedicate this issue of the "Ram" to Mr. E. R. Bryant

STUDENT COUNCIL
Mrs. I. S. Brennon

The Student Council of Mary Potter School has been organized to help provide unity and cooperation between the faculty and student body. The aims and objectives are: 1. To promote the general welfare of Mary Potter, its good name and reputation. 2. To see that all pupils are treated equally and justice given to all. 3. To provide a satisfactory means of carrying on relations with other schools and business relations to the pupil organization.

COMMERCIAL CLUB
Miss L. M. Jones

The Commercial Club tends to help interested boys and girls develop a better understanding and appreciation of the business world in which they live and work. Aside from providing guidance to the members in evaluating opportunities in business, the club sponsors social activities for the entertainment of all.

MATH CLUB
Mrs. I. S. Brennon

The Mathematics Club has been organized for the purpose of helping to create an interest in the study of mathematics, and to teach pupils the value derived from its study.

In the club, certain definite projects have been done by members; in this way, they have been able to use some of the principles they have learned which we feel have proven quite valuable as a use of Resource Education.

LIBRARY CLUB
Mrs. A. J. Anderson

Members of the Library Club find pleasure in devoting their leisure time to the study of current materials, discussions, and revealing available library materials to the entire student body. One project for the school year is to have each student spend two periods in the library weekly; reading periodicals and three books of individual interest a month, other than regular work in the library class assignments.

THESPIANS
Mrs. E. J. McGhee

MOTTO:

We strive to serve our school, to give entertainment to our community, and to imitate and impersonate the great actors and actresses of the past.

Purpose:

To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians.

FUTURE TEACHERS
Miss H. E. Thomas

The purpose of this club is to acquaint the students who are interested in becoming teachers with the qualifications and requirements to become teachers. Our club is in its early stages here at Mary Potter. However, it is one of the clubs which encourages good citizenship for the community.

The Annual Staff has in these few pages tried to capture some parts of the work, the play, the seriousness and the gaiety which have made our high school days a magic time. We hope that as you turn through the pages of the Ram in years to come, it will bring the joy of reminiscence to all who remember the Class of 1956.

We would like to thank all the merchants for their co-operation in making this annual possible.

To all we say, "Thanks" for your patience with the staff toward making our Ram a success.
